Docket No. 98N-1265

Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have just received this in the mail I hope I'm not too late. My daughter had just under went brain surgery last weekend and I will tell if I wasn't getting my ~~progestions~~ <sup>hormones</sup> I could not handle it. This prescription has relieved my symptoms and makes it possible for me to live a normal life for the past 3 years. I sure hope that ~~for~~ the M.O.U. will not be adopted. This is just not for me, but for the interest of my family as well. Sincerely, Nancy Butler
